NO. 4:13-CV-014-A

ORDER

Came on for consideration the above-captioned action wherein Gary Hill is plaintiff and Carolyn W. Colvin, Acting Commissioner of Social Security, ("Commissioner") is defendant. This is an action for judicial review of a final decision of the Commissioner denying plaintiff's claim for supplemental security income under Title XVI of the Social Security Act. On February 11, 2014, the United States Magistrate Judge issued his proposed findings and conclusions and his recommendation ("FC&R"), and granted the parties until February 25, 2014, in which to file and serve any written objections thereto. Plaintiff filed his objections on February 24, 2014, and Commissioner filed a response on March 10, 2014. After a thorough study of the record, the magistrate judge's proposed findings and conclusions, and applicable legal authorities, the court has concluded that

plaintiff's objections lack merit and that the recommendation of the magistrate judge should be accepted.

Therefore,

The court accepts the recommendation of the magistrate judge and ORDERS that the decision of the Commissioner that, based on the application for Supplemental Security Income payments protectively filed on June 24, 2010, plaintiff, Gary Hill, is not disabled under Section 1614(a)(3)(A) of the Social Security Act, be, and is hereby, affirmed.

SIGNED March 12, 2014.

JOHN MCBRYDE

United States District Judge
